Fifty years on from Vatican II (1962-1965) All Hallows continues to reflect on the impact of the ground-breaking movement initiated by the documents of this last universal gathering of the Roman Catholic Church.

What was the Second Vatican Council about? How is its vision being implemented? What more could be done? These four talks are the start of a third series to commemorate the renewal of the Church inaugurated by Pope John XIII and which continues under the leadership of Pope Francis.

The first two series were held in Autumn 2012 and Spring 2013.
